

SCHOOL VISIT CHECKLIST

QUESTIONS TO CONSIDER:

- How is information communicated to parents?
- Are your standardized test scores going up or down?
- How do you measure growth between tests?
- How do students at this school perform compared to peers?
- What programs do you have for gifted and/or special needs students?
- What steps does your school take towards individualized learning?
- How much homework is assigned? What supports are provided?
- What technology resources are available?
- Are there books for all of the children? Can they take them home?
- What after-school programs does your school have?
- What kinds of demographics are at the school?
- What is your average student to teacher ratio?
- How are teachers evaluated and rewarded?
- What is your disciplinary policy?
