Dr. Bertha Doar
18225 Prickly Pear Court
Pacific, MO 63069

Dear Dr. Doar:

Thank you for your willingness to serve as a member of the Technical Advisory Committee (TAC) for the Missouri Assessment Program (MAP) for the 2018 fiscal year. We depend on you and your fellow TAC members to provide the agency and its contractors with ongoing psychometric advice and counsel. We know that your collective and individual input ensures a testing program of the highest quality.

This year, we anticipate four in-person TAC meetings, held in a hotel near Lambert Airport in St. Louis. In addition, the TAC may convene by phone or web-meeting occasionally during the year.

The Department will reimburse you for reasonable and necessary travel expenses in accordance with State of Missouri travel guidelines. In addition, you will receive an honorarium of \$2,500 per day you meet with the TAC. If the meeting is a conference call or web-based meeting, you will receive an honorarium of \$325.00 per meeting hour per day you meet with the TAC. The honorarium covers preparation for the meeting as well as attendance at each meeting.

Lisa Sireno, Standards and Assessment Administrator, Office of College and Career Readiness, directs the TAC's work. If you have questions, please contact her at (573) 751-3545.

On behalf of the Missouri State Board of Education, Department staff, educators and students who benefit from MAP results, I thank you for your contributions to our assessment program.

Sincerely,

Blaine Henningsen
Assistant Commissioner
Office of College and Career Readiness

Dr. Andrew Porter
4601 Cedar Avenue
Philadelphia, PA 19143

Dear Dr. Porter:

Thank you for your willingness to continue serving as chair of the Technical Advisory Committee (TAC) for the Missouri Assessment Program (MAP) for the 2018 fiscal year. We value your previous work, and we depend on you and your fellow TAC members to provide the agency and its contractors with ongoing psychometric advice and counsel. We know that your leadership ensures a testing program of the highest quality.

This year, we anticipate four in-person TAC meetings, held in a hotel near Lambert Airport in St. Louis. In addition, the TAC may convene by phone or web-meeting occasionally during the year. We ask that you provide a brief written report of the previous year's discussions prior to March 1, 2018.

The Department will reimburse you for reasonable and necessary travel expenses in accordance with State of Missouri travel guidelines. You will receive an honorarium of \$3,000 per day for facilitating each meeting, providing consultation prior to and following each meeting, and writing a report following each meeting. If the meeting is a conference call or web-based meeting, you will receive an honorarium of \$375 per meeting hour for facilitating each meeting, providing consultation prior to and following each meeting, and writing a report following each meeting.

Lisa Sireno, Standards and Assessment Administrator, Office of College and Career Readiness, will direct the TAC's work. If you have questions, please contact her at (573) 751-3545.

On behalf of the Missouri State Board of Education, Department staff, educators and students who benefit from MAP results, I thank you for your contributions to our assessment program.
