160.526.2

2. The state board of education shall by contract enlist the assistance of such national experts to receive reports, advice and counsel on a regular basis pertaining to the validity and reliability of the statewide assessment system. The reports from such experts shall be received by the state board of education. Within six months prior to implementation of or modification or revision to the statewide assessment system, the commissioner of education shall inform the president pro tempore of the senate and the speaker of the house of representatives about the procedures to implement, modify, or revise the statewide assessment system, including a report related to the reliability and validity of the assessment instruments, and the general assembly may, within the next sixty legislative days, veto such implementation, modification, or revision by concurrent resolution adopted by majority vote of both the senate and the house of representatives.

I'm looking for the statute that requires us to have a Technical Advisory Committee. Can any of you direct me to that? We need to send some documentation to OA to back up the members being appointed by the Commissioner, not bid out. Any help is appreciated and the sooner, the better... Thanks!
